B. PROFESSIONAL SUMMARY

Experienced Full-Stack Developer with expertise in Laravel, Node.js, Angular, React, Flutter, and PHP. Passionate about building scalable, secure, and user-friendly applications, specializing in microfinance, e-commerce, IoT, AI-powered solutions, and DevOps. Skilled in developing RESTful APIs, modular backend architectures, and cross-platform mobile applications. Proficient in state management with GetX, frontend frameworks like Tailwind CSS, and database optimization.

Strong background in Git, GitHub, CI/CD pipelines, and cloud deployment, ensuring seamless development workflows and version control. Experienced in network monitoring (PRTG), SNMP, and system security. Proven ability to deliver high-performance applications, including attendance management systems, trading bots, hotel booking platforms, and mobile wallet solutions. Committed to innovation, problem-solving, and delivering solutions tailored to user needs.

C. EDUCATION BACKGROUND

2019 -2022: ARUSHA TECHNICAL COLLEGE (Diploma in Computer Science)

2022 -present: ARUSHA TECHNICAL COLLEGE (Bachelor Degree in Computer Science)
